CEC, Moberg Win Awards at Women's Energy Network Gala

August 19, 2016

PITTSBURGH, PA — Two of the four awards handed out during the Women's Energy Network (WEN) Appalachia Chapter's 2nd Annual Boots and Ballgowns Networking Gala were brought home to Civil & Environmental Consultants, Inc. (CEC): Best Supporting Company and Woman of the Year.

The event took place on Friday, August 19, 2016, at the Renaissance Hotel in downtown Pittsburgh. CEC was a corporate sponsor of the event. Awards were handed out in four categories: The Pioneer Award, the Trailblazer Award, Woman of the Year and Best Supporting Company.

Katie Moberg, a Project Manager in the Ecological Sciences practice of CEC's Pittsburgh office, was named "Woman of the Year" among two other well-respected nominees for the award.

CEC won "Best Supporting Company" in a category that also saw Rice Energy and Leech Tishman nominated. CEC President and CEO Ken Miller accepted the award on the company's behalf and welcomed all CEC employees in attendance to the stage to highlight their dedication and hours of volunteered time given to the organization in the past year. There are 13 CEC employees serving as active WEN Appalachia members, four of whom are Board members.

###

About CEC: Headquartered in Pittsburgh, Civil & Environmental Consultants, Inc. (CEC) provides comprehensive market-oriented consulting services to advance client strategic business objectives. CEC provides innovative design solutions and integrated expertise in the primary practice areas of civil engineering, ecological sciences, environmental engineering and sciences, survey, waste management and water resources. www.cecinc.com

About WEN: The Women's Energy Network (WEN) is an international organization of professional women who work across the energy value chain. WEN's mission is to develop programs to provide networking opportunities and foster career and leadership development of women who work in the energy industries. WEN offers educational, networking and leadership opportunities to almost 4,000 women nationwide through luncheons, conferences, community initiatives, socials and mentoring programs. <https://www.womensenergynetwork.org/>

About WEN Appalachia Chapter: Since its inception in 2012, the Appalachian Chapter of WEN has grown to more than 250 members working in, or supporting, the energy industry in West Virginia, Pennsylvania, and Ohio. Members include not only women who are professionals in the natural gas, coal, electric-generation, utility, wind and solar fields, but also the engineers, consultants, vendors, suppliers and others who support the energy industry. <https://www.womensenergynetwork.org/appalachia/>
